

My Pledge to you:

- I believe both Platform and our Plan for Financial Responsibility are important to Secaucus. I will take steps to implement them over the next four years.
- I will work with incoming Mayor Mike Gonnelli to maintain the high level of services our residents have come to rely upon for over 25 years.
- I will work hard to bring a supermarket back to Secaucus, as well as a second ambulance.
- I will always stay Independent from the county political machine.
- I will always work to protect and enhance our town's reputation.
